SKILLS

- **BACK END DEVELOPMENT** | Express • NodeJS
- **DATABASE** | MongoDB • PostgresSql
- **DATA PIPELINES** | S3
- **FRONT END DEVELOPMENT** | ReactJS • Redux • JavaScript • Bootstrap • MUI • ChakraUI • HTML • CSS
- **APP DEVELOPMENT** | ReactNative
- **TECHNICAL SKILLS** | AWS • FireBase • Git
- **PROBLEM SOLVING** | DSA

EXPERIENCE

Venturesathi Global Solutions | ReactJS • Redux • JavaScript • Bootstrap • MUI • Express • NodeJS • MongoDB • PostgresSql
June 2023 - Present

Intra Management System

- A user friendly social media platform focused on sharing thoughts and ideas using REST API.
- Implemented features such as post creation, media upload, and video player.
- Created functionalities like liking, disliking, and commenting for user engagement.

Multi sites management software

- Engineered a scalable database architecture and end-to-end structure for management software.
- Built a human resource module for capturing employee attendance.
- Developed site mapping functionality to grant user access to specific sites.

ERP Solution

- Implemented module submodule access functionality tailored to different user roles.
- Integrated E-invoice, E-waybill, and credit note features using Government API.
- Developed a Reports screen enabling users to monitor stock, sales, purchases, and item movements.

Myulogic Solution PVT LTD | React Native • Express • Node JS
• MongoDB • Firebase

February 2023 - May 2023
